The Suzuki Children's Piano Concert is a nationwide concert hosted in Japan by TERI. With this concert, we aim to improve the musical performance level of the Suzuki children and develop healthy, emotionally rich human beings following Dr. Shinichi Suzuki's example of raising excellent students through the graduation recording system.

We had planned to hold the Suzuki Children's Piano Concert in May of this year at the TERI Hall in Matsumoto. However, the spread of COVID-19 made it difficult to gather students from all over Japan.

In order to provide students an opportunity to share the results of their practice, we decided to distribute their performance videos on YouTube Live. We are proud to share the performances by these selected students from all over Japan on October 25th, and we hope you enjoy them.

*The students' performance videos will be available at a later date on the TERI official website or on the TERI official YouTube channel. Please view them at any time and as often as you wish.
